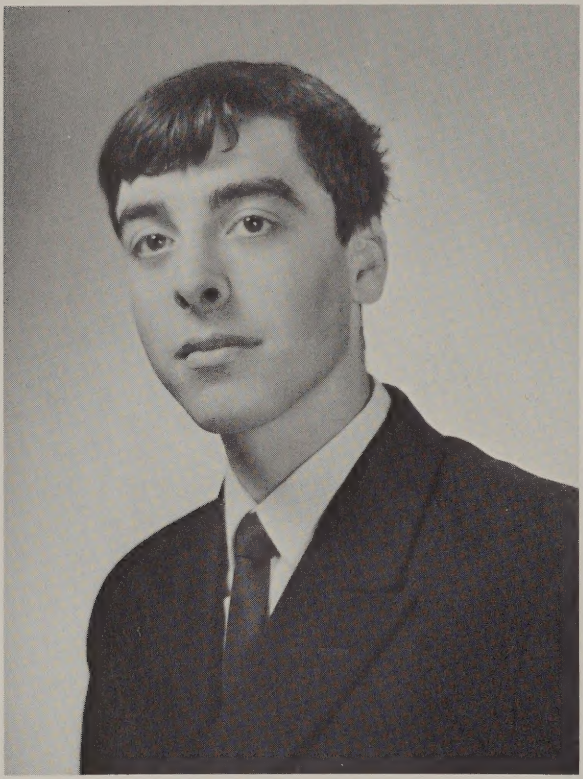
Foreign Exchange Student



Norberto Galan Folgueras

When Bob arrived here in the late summer, nobody knew what kind of person he would be. We soon found that he is friendly and full of warmth toward all.

A foreign exchange student learns many things about the United States and what the average people are like. But many people overlook the fact that we learn from him also.

Since Bob has arrived he has shown great spirit and enthusiasm which have inspired all of us. When Bob leaves, he will long be remembered in our hearts as a warm, friendly, conscientious and spirited person who has added much to L.H.S.

Dedication

Mr. James McKenna

We the class of 1967 dedicate this yearbook to Mr. McKenna who we have all learned to know, respect and honor.

As our football coach, he guided a young and spirited team towards higher goals, also as a teacher he guided us to higher scholastic achievement.

But to us he is more than just a teacher or coach; he is a true friend. His sincerity is felt by everyone. Either in a light conversation or serious discussion, he imparts to each student a feeling of friendship which so much encourages the spirit of our school.

ATHLETICS

It is a wonderful tribute to the boys on the football team that they achieved the enviable record of five wins, three loses. The coaches feel that three factors contributed immensely to their success. The first was DEDICATION on the part of every member of the squad to work hard to achieve his fullest potential. LOYALTY was the key to their ability to work well together. Lastly, and most importantly, they had PRIDE in themselves, their team and their school.

The seniors who will graduate will certainly be missed but they have set an example for every underclassman to strive.
